## ABOUT THE COMPANY

### COMPANY OVERVIEW

- ✔ NTEC Electrix is a trusted trading and supply company specializing in electrical panel accessories and power distribution components.
- ✔ We focus on sourcing and supplying high-quality electrical products required for panel building, electrical installations, and industrial applications. With strong market knowledge and supplier networks, we ensure that our customers receive reliable products that meet technical standards and project requirements.
- ✔ Our expertise lies in understanding customer needs and providing the right products with consistent quality, competitive pricing, and timely delivery.
- ✔ NTEC Electrix serves panel builders, contractors, OEMs, and industrial clients by acting as a dependable supply partner for electrical components.

### Our Mission

To Become a Preferred Supplier in the Electrical Industry By Delivering Quality Products and Dependable Service.

### Our Mission

- To Supply Reliable Electrical Components From Trusted Sources
- To Support Customers With the Right Product Selection
- To Ensure Timely Delivery and Competitive Pricing
- To Build Long-Term Relationships With Clients and Partners

#### Reliability

Consistent supply and dependable service

#### Quality

Supplying products that meet industry standards

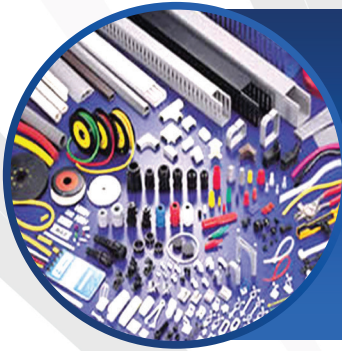

#### Integrity

Transparent and ethical business practices

#### Customer Focus

Understanding and supporting customer needs

# OUR PRODUCT RANGE

## ELECTRICAL PANEL ACCESSORIES & COMPONENTS

NTEC Electrix supplies a wide range of electrical components essential for panel building and power distribution systems.

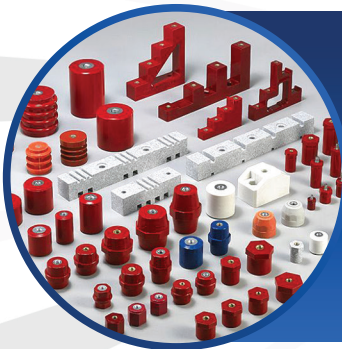

## SWITCHGEAR COMPONENTS

We supply a variety of switchgear products used for control, protection, and isolation of electrical systems.

### APPLICATIONS INCLUDE:

- INDUSTRIAL PANELS
- COMMERCIAL ELECTRICAL SYSTEMS
- POWER DISTRIBUTION SETUPS

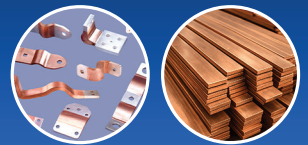

## BUSBARS & BUSBAR SUPPORTS

We provide high-quality busbars and busbar support systems used for efficient power distribution within panels.

### FEATURES INCLUDE:

- HIGH CONDUCTIVITY MATERIALS
- DURABLE INSULATION SUPPORTS
- SUITABLE FOR VARIOUS CURRENT RATINGS

## CABLE LUGS & WIRING ACCESSORIES

Our range includes cable lugs and wiring accessories designed for safe and secure electrical connections

### PRODUCTS INCLUDE:

- COPPER AND ALUMINIUM LUGS
- CABLE TERMINATION ACCESSORIES
- INDUSTRIAL WIRING SOLUTIONS

## WIRES & CABLES

We supply electrical wires suitable for panel wiring and industrial applications, ensuring safety and reliability.

# ADDITIONAL PRODUCTS & SUPPLY CAPABILITY

## Enclosures & Distribution Boards

NTEC Electrix supplies electrical enclosures and distribution boards suitable for various applications.

### Enclosures

- Indoor and outdoor enclosures
- Multiple IP rating options (IP44, IP55, IP65, IP67)
- Suitable for industrial and commercial use

## Distribution Boards (DB)

- Wall-mounted DBs
- Floor-mounted DB panels
- Customizable configurations based on requirements

## Panel Accessories & Assemblies

### We also supply:

- Panel assembly accessories
- Mounting hardware and fittings
- Electrical panel internal components

## Medium Voltage Relays

We provide medium voltage relays used for protection and monitoring of electrical systems.

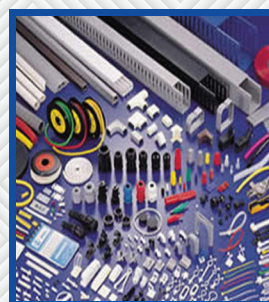

### Applications include:

- Industrial power systems
- Electrical protection circuits
- Control and monitoring systems

## Supply Strength

Our strength lies in efficient sourcing and supply chain management

- Strong vendor network
- Availability of multiple product options
- Quick response and dispatch
- Competitive pricing

# Why Choose Us

## WHY CHOOSE NTEC ELECTRIX

NTEC ELECTRIX IS COMMITTED TO BEING A RELIABLE PARTNER FOR ALL ELECTRICAL COMPONENT REQUIREMENTS.

## OUR KEY ADVANTAGES

**WIDE PRODUCT RANGE**  
WE OFFER A COMPLETE RANGE OF PANEL ACCESSORIES AND ELECTRICAL COMPONENTS UNDER ONE ROOF.

## TRUSTED SUPPLY NETWORK

WE SOURCE PRODUCTS FROM RELIABLE MANUFACTURERS AND AUTHORIZED VENDORS.

## TECHNICAL UNDERSTANDING

WE HELP CUSTOMERS CHOOSE THE RIGHT COMPONENTS BASED ON APPLICATION AND SPECIFICATIONS.

## TIMELY DELIVERY

WE ENSURE PROMPT SUPPLY TO SUPPORT PROJECT TIMELINES

## COMPETITIVE PRICING

WE PROVIDE COST-EFFECTIVE SOLUTIONS WITHOUT COMPROMISING ON QUALITY.

## INDUSTRIES WE SERVE

### We cater to:

- Panel Builders
- Electrical Contractors
- Industrial Manufacturing Units
- Commercial Projects
- Infrastructure Projects
